If you are ready for an exciting, electrifying aviation adventure, GET YOUR TICKETS NOW, FOR THIS ONCE IN A LIFETIME EVENT. Rob Green Auto Group & Pepsi presents the Air Magic Valley Airshow featuring The Blue Angels on July 26th and 27th.

You are guaranteed an exciting and thrilling show as the Blue Angels gracefully exhibit choreographed aerobatic maneuvers including the popular four-plane Diamond Formation, in concert with the fast paced, high performance maneuvers of its Solos Pilots. Finally, the team illustrates the pinnacle of precision flying, performing maneuvers locked as a unit in the renowned, six-jet Delta Formation. The Blue Angels C-130 will also do a JATO (Jet Assisted Take Off) on Saturday. This is something you will not want to miss. Since its inception in 1946 the Blue Angels have preformed for more than 442 million fans. They are set to fly in 64 air shows at 33 show sites in the United States during the 2008 season. They are also celebrating the 21st year of flying the F/A – 18 Hornet.

You will also be mesmerized by the flying of the Air Force F-16 Viper Demo team and the acrobatics of Jacquie B. (Jacquie Warda). She is an accomplished and talented acrobatic pilot that will have you on your feet. We will have a large collection of Warbirds and static display of planes for you to get close to and enjoy.
