

ACC PRESS RELEASE

**The United States Air Force
Air Combat Command
Viper (F-16) East Demonstration Team**

Contact: Scott "Buster" Clyman, Major, USAFR
F-16CJ Pilot, F-16 East Demo Team Marketing Officer
Phone: 801-721-9360 / Email: scott.clyman@shaw.af.mil

The power of the United States Air Force F-16 Viper East Demonstration Team takes to the air at the 2008 Rob Green Auto Group and Pepsi Air Magic Valley Air Show July 26 & July 27th.

**"Heritage Flight" will also team fighters of the past and present in
salute of all military personnel**

The Air Combat Command (ACC) Viper (F-16) East Demonstration Team will display the awesome capabilities of the F-16 Fighting Falcon at the Air Magic Valley 2008 Air Show at Joslin Field Twin Falls, Idaho.

The US Air Force Demonstration Teams perform precision aerial maneuvers, demonstrating the unique capabilities of Air Force fighter aircraft before tens of thousands of visitors. Demo Team Members will also exhibit the professional qualities the Air Force develops in the people who fly, maintain and support these aircraft.

The F-16 East Demo Team is based at the 20th Fighter Wing, Shaw AFB, SC. The team is comprised of the demo pilot, Major George "Dog" Clifford, a maintenance team, pilot safety observers and narrators. The aircraft flown in the demo is one of the operational Block-50 F-16s from the 20th Fighter Wing, Shaw AFB, SC.

USAF Aerial Events Public Relations and Marketing Officer Major Scott Clyman, stated, "Our team is looking forward to connecting with the Greater Twin Falls community during this Air Show weekend. We also welcome the opportunity to demonstrate the enormous tactical potential of USAF fighter aircraft. We are equally enthusiastic about discussing the many career opportunities available in the Air Force today. Nothing informs the public about their Air Force better than seeing these aircraft up close and personal and we hope we will have the chance to meet as many visitors as possible."

At the Air Magic Valley Air Show 2008 the Viper East F-16 Demo Team will perform a number of aerobatic and tactical maneuvers designed to show the viewing public the power of the Air Force's premier multi-role fighter the F-16C Fighting Falcon. Also scheduled is the USAF Heritage Flight. This historic formation of past and present fighter aircraft pays tribute to all the Air Force pilots, their dedicated maintenance crews, support personnel and all those who have served and to those that are currently serving in the military all over the globe.

The Team is available for public appearances and media interviews upon request by contacting Major Scott Clyman, Viper East F-16 Demo Team Public Relations and Marketing Officer by phone at 801-721-9360, or at scott.clyman@shaw.af.mil.
